In an effort to make this the best possible educational experience for your child, we request that you share any and all developmental evaluation results and IEP materials with us. Are you willing to do this if your child enrolls here?

Yes No

Enrollment Considerations

Your commitment to our mission and your partnership with us for your child’s benefit is taken into consideration. We carefully balance our classes by age and gender. We do not discriminate on the basis of race, ethnicity, religion, or for any other reason. NCNC Preschool has limited funds available to support financial assistance awards.

Financial assistance awards are granted exclusively on financial need. If your family is in need of financial assistance to attend our program, please contact NCNC Preschool Director, Marianne Kay at (203) 966-9577, x 16, or email Mkay@NewCanaanNature.org. All financial assistance award applications and information will be kept in confidence.

Membership

A complimentary family membership is included in your tuition. Visit our website, www.NewCanaanNature.org to view the full benefits membership provides!

Tuition Payment

Tuition is paid through a third party auto payment schedule. More information about this will be sent to you with your child’s enrollment contract. You will have the option to make either 3 or 9 payments over nine months. Late fees will be assessed automatically via your auto pay account. The NCNC Preschool will have the right to make a child’s space available to another family if there is failure to pay any installment by the specified due date.

Enrollment and Withdrawal

Enrollment commences with the return of your signed enrollment contract and deposit, and is for the entire school year. Fees will not be prorated for absences, or days lost due to inclement weather. Should it become necessary to withdraw your child for any reason, written notification must be sent to the NCNC Preschool Director as soon as possible. If your child is withdrawn for any reason, no refund of fees will be paid, or waiver of fees owed will be made. Once a child has been officially accepted into the program and the contract signed, the parent(s) assume responsibility for the child’s tuition for the full year. There will be no reduction or rebate of tuition because of a child’s absence or withdrawal.
