IMPORTANT CAMP INFORMATION (please read & sign acknowledgement before continuing registration)

MEMBERSHIP: NCNC Family Membership is required for camp registration and attendance. \$85 lasts a full calendar year and awards families many benefits, such as reduced pricing for events.

CANCELLATIONS AND REFUNDS: Cancellations made more than 30 calendar days from the start date of the session will be charged a 25% administrative fee and the remaining 75% balance will be refunded. Refunds will not be given 30 days or less prior to the start date of the session unless approved by the Camp Director. In cases of cancellation due to major illness and/or family emergency, refunds will be granted on a case-by-case basis at the discretion of the Camp Director and may require documentation such as a doctor's note. NCNC reserves the right to cancel under-enrolled sessions. All fees will be refunded in this case.

SESSION CHANGES: If you need to transfer session(s) after original registration is processed, a fee of \$25 per camper per session transferred will be assessed and due prior to start of new session date.

AGE/TOILET TRAINING REQUIREMENTS & REGISTRATION: All campers must be at least 3 years old by June 1st of each camp year and need to be fully toilet trained and able to use the bathroom independently prior to their first day of camp.

Registration forms are processed in the order received by NCNC. Spaces fill on a first-come, first-served basis. If a session is full, registration will be placed on hold and parent/guardian notified to discuss alternatives such as a wait list. Registration is for the whole week (Mon – Fri). No pro-rated or partial payments are accepted. Camp Registration CLOSSES at the end of business on Thursday the week prior to each camp week.

CAMPER FORMS: A Welcome Packet, including camp guidelines and required camp forms and waivers, will be sent within two to three weeks of registration processing. Copies of forms and guidelines are also available at the Visitor Center front desk & NCNC website. In accordance with CT State law, campers may not attend camp without all necessary completed health and information forms on file prior to the start of camp.

MEDICAL CONDITIONS, AIDES & OTHER CONSIDERATIONS: If a camper requires any special accommodation (e.g. major allergy, aides, medical conditions, etc.), the Camp Director must be contacted at least 2-4 weeks in advance, so that proper support can be provided for each camper and his/her respective camp group. Please be forthcoming with information to help us ensure a positive and successful experience for all.

HEALTH & SAFETY: According to CT Department of Public Health, campers appearing to have contagious disease must be quarantined and sent home. NCNC reserves the right to restrict enrollment/participation, in the event that participation in camp is deemed unsafe/unsuitable for a child by NCNC staff, either for the safety/experience of the child or for the safety/experience of the staff/other campers. NCNC practices a ZERO TOLERANCE POLICY FOR HITTING. Campers who strike other campers or counselors will be sent home.
