

Lead Camp Counselor (Ages 6-7)

About the New Canaan Nature Center and Summer Camp

The New Canaan Nature Center (NCNC) is a 501(c)3 not-for-profit environmental education center and sanctuary dedicated to helping people of all ages better understand, appreciate and care for the world of nature. Located a short distance north of New York City, NCNC encompasses a 40-acre preserve in the heart of New Canaan, CT that features diverse habitats including wet and dry meadows and woodlands, two ponds, dense thickets, an old orchard and a cattail marsh. Two miles of trails meander across the site. Through a diverse range of programs for schools, youth, adults, and families, the NCNC strives to create a deeper understanding and concern for the natural world through programs and exhibits that stress enjoyable and active, hands-on learning. It is our belief that personal awareness and involvement will enable citizens to make intelligent decisions relating to the future of our environment.

Our Summer Camp program aims to get children “unplugged” from electronics and other indoor activities by creating and strengthening the connection of children to nature through sustainable, exciting, hands-on interactions in the out-of-doors. It is our goal to “Leave No Child Inside” over the summer as there exists an entire world of adventure just waiting outside the door. Our Summer Camp serves approximately 1,000 children, ages 3-15, through half-day, full-day, and overnight adventure programs. The goal of camp is to provide quality environmental education experiences, which meet the mission and sustainability policy of the NCNC, within a fun and exciting camp atmosphere.

Position

Lead Camp Counselor - full-time, seasonal position. Based on this classification, you are a temporary, part-time and non-exempt employee.

Lead Camp Counselors are the primary facilitators and group managers for our various groups of campers ages 6-7. Working with and mentoring our Assistant Camp Counselors, these positions are responsible for implementing and developing education curricula and camp activities that support our yearly camp themes and meet the NCNC’s mission and sustainability policy. Lead Camp Counselors will assist in managing Teacher-Naturalists-in-Training (TNT) high-school volunteers during camp sessions.

Working Hours

Monday through Friday, although some weekend work may be required. Typical operation hours of NCNC are from 8:30am to 4:30pm. Summer Camp schedule may require additional time beyond typical operation hours. Summer Camp season runs from approximately mid June to mid August, including staff training the last week of May. Please check website for details on camp session schedule for this year.
