

New Canaan Nature Center

Community Garden Program

Come grow with us!

Adopt a 16 square-foot organic plot in our deer-fenced and gopher-protected garden and enjoy access to tools, watering facilities and expert guidance!

The perfect opportunity for novices and experienced gardeners alike to start growing your own produce and herbs in a community environment!

- Come to a kick-off event on April 30th at 10am
- Participate in at least three monthly community workdays
- Celebrate the end of the season with a “harvest potluck” in October!

PLOTS ARE LIMITED!! Contact Ali Beatty at 966-9577 x43 for guidelines and to sign up.

Plots are \$75 for the season (participants must be current NCNC members)
